Presence of Bisphenol A
ELVAX® EVA Resins
All Grades

E.I. DU PONT DE NEMOURS & Co. hereby declares that:

DuPont does not use Bisphenol A (CASRN 80-05-7) as an intentional component of ELVAX® EVA Resins. To the best of our knowledge, this material is not present as an intentional component in the raw materials used in the manufacture of these products. We do not analyze these resins for the substance in question.

The information and certifications provided herein are based on data we believe to be reliable, to the best of our knowledge. The information and certifications apply only to the specific material designated herein as sold by DuPont and do not apply to use in any process or in combination with any other material. They are provided at the request of and without charge to our customers. Accordingly, DuPont cannot guarantee or warrant such certifications or information and assumes no liability for their use.

for E.I. DU PONT DE NEMOURS & Co.

A handwritten signature in cursive script that reads "Stewart C. Feinberg".
